CERTIFICATE

about **Erasmus+ – students' mobility** from Stredná odborná škola Pruské" (SOŠ) in
School for horticulture and visual arts Celje in the period

from 24. 05. 2015 until 06. 06. 2015

Student: **Ivan KOZOVÝ**

from "Stredná odborná škola Pruské" (SOŠ) was during his stay in our school included in:

- working in a garden centre as a work placement for learning practise,
- studying of the aesthetical, cultural and historical impact of the way of designing gardens in our country,
- attendance of several practical and theoretical lessons in horticulture in our school,
- discussion with vocational teachers and students,
- interview of trainees/students at the trainee post/the work placement.
- discussion with the practical mentoring instructor of the garden centre/work placement about the organization and the way of work.

He

- presented his own school to teachers and students,
- learnt about new and innovative technology in the specific field of expertise,
- met other cultures in the area of expertise,
- met other cultures, natural and cultural heritage, social life and foreign language,
- applied his experiences and knowledge in the mobility,
- experienced different circumstances in his field of interest or work.
